Hey there!

Rasulullah SAW has stated: "The best of women among you are the women of Quraysh, they are compassionate towards their partner and affectionate towards the children." Syedi Ibrahim Al Saifi QA explains in Kitab-al-Najah (the book of success) elaborating this hadeeth shareef that a mother's role in child's upbringing constitutes a lot of compassion in protecting, fostering and nurturing.

This journal is designed under the theme of protect, foster and nurture prompting and helping the young mother to make better connection and bond with the child by the teachings of Awliyavullah A.S. and simple day to day activities.
